ABOUT THIS DOCUMENT

Enterprise Live is the web-based interface for Enterprise Manager. Enterprise Live allows users such as regional managers and owners to log in remotely, enabling you to view reports and manage your sites from anywhere in the world. With Enterprise Live, users can access and update configuration items such as discounts, promotions, product pricing information, employee details and much more!

This document is designed to give you a helping hand when it comes to managing your sites and performing daily tasks in Enterprise Live.

PRODUCTS

USING THE PRODUCTS SCREEN

A product refers to a single item of merchandise. Each product belongs to a line, which is a range of products from a particular manufacturer. A manufacturer is a company that makes products (referred to as a company in Shortcuts Fusion).

- 1
 Click on the **products** button in the **stock** menu.
- A
 You can search for products by selecting the relevant region, manufacturer (company), product line and category from the drop-down lists.
- B
 You can also search for a product via the product name, barcode, PLU and product code.
- C
 Tick **show inactive entities** to show inactive manufacturers and lines.
- D
 Tick **show inactive products in search results** to show inactive products.
- E
 You can choose how many products you want to display.
- 2
 Once you have entered your desired search criteria, click **search**.
- F
 You can click **reset** to clear the search criteria.
- G
 The product list will be displayed here.

The screenshot shows the 'Products' screen in the Shortcuts Fusion application. The interface includes a navigation menu on the left, a header with user information, and a main content area with search filters and a product list table.

Search Filters:

- Region:** Adelaide St (Callout A)
- Manufacturer:** InClinic Products (Callout A)
- Product Line:** (Callout B)
- Category:** (Callout B)
- Name:** (Callout B)
- Barcode:** (Callout B)
- PLU:** (Callout B)

ADDING A NEW PRODUCT

- 1 Click on the **products** button in the **stock** menu.
- 2 Select the region you want to add this product to. The product will be added to all sub-regions within this region.
- 3 Click **create new product**.

- A** The product ID will be automatically generated.
- 4** Enter the product name.
- 5** **Optional:** Enter a description.
- 6** Select the manufacturer.
- 7** Select the product line.
- 8** Select the relevant category.
- 9** Select the relevant sub-category.
- 10** Enter the PLU number.

The screenshot shows the 'Product' management page in the Enterprise LIVE system. The interface includes a navigation menu on the left with categories like Administration, Employees, Stock, Reports, and Configuration. The main content area contains a form for adding a new product. The form fields are annotated with callouts: 'A' points to the 'ID' field (set to 'New'), '4' points to the 'Name' field ('Rose Petal Lipstick'), '5' points to the 'Description' field ('24-hour wear, matte finish lipstick.'), '6' points to the 'Manufacturer' dropdown ('InClinic Products'), '7' points to the 'Product Line' dropdown ('InClinic Products'), '8' points to the 'Category' dropdown ('Misc'), '9' points to the 'Sub-Category' dropdown ('Misc'), and '10' points to the 'PLU' field ('0'). Other fields include 'Order Multiple' (1), 'Active' (checked), 'Product is' (Retail selected), and 'Barcode Label' (Medium). A barcode table at the bottom shows a primary barcode 'A16810B51A27' with a 'Generate' button.

11

If you want to order in multiples of a certain number when reordering this product, enter the relevant number into the **order multiple** field. For example, if you want to order in multiples of 5 whenever you place a reorder, enter '5' in this field.

12

Choose whether this is a retail or professional product.

13

Select the barcode label size.

14

Click **new**, then enter the product barcode, or click **generate** to create a barcode automatically. You can add multiple barcodes if necessary.

15

If you have more than one barcode, tick the relevant box to select the primary barcode.

16

Click **save**.

At the bottom of the page, there is a 'Save' button and a 'Back' link. The 'Save' button is highlighted with a red circle.

PRODUCT PRICING

USING THE PRODUCT PRICING SCREEN

The product pricing screen allows you to change the prices for products in or below your control region.

- 1** Click on the **pricing** button in the **stock** menu.
- A** You can search for products by selecting the relevant region, manufacturer, and line from the drop-down lists.
- B** To view products that are effective from a certain date onwards, select the desired **effective from** date.
- C** Tick **show inactive entities** to show inactive manufacturers and lines.
- D** Tick **show inactive products in search results** to show inactive products.
- E** You can choose how many products you want to display.
- 2** Once you have entered your desired search criteria, click **search**.
- F** You can click **reset** to clear the search criteria.
- G** The product list will be displayed here.

The screenshot shows the 'Products - Pricing' interface in Enterprise LIVE. The left sidebar contains a navigation menu with 'Pricing' selected. The main area has search filters for Region (Adelaide St), Manufacturer (InClinic Products), and Line (InClinic Products). The 'Effective From' date is set to 20 May 2016. There are checkboxes for 'Show Inactive Entities in search criteria' and 'Show Inactive Products in search results'. A search button and a 'Display 10 Products' dropdown are also visible. Below the filters, a table displays a list of products with columns for Manufacturer, Line, Category, Product, Active status, Cost Price, Retail Price, RRP, Cost Price Region, Retail Price Region, Cost Price Effective From, Retail Price Effective From, Revert Cost Price?, Revert Retail Price?, and Delete Future Price Changes?. The table lists various cosmetic products like 'Starry Night Eyeshadow', 'Rose Petal Lipstick', and 'Mineral Powder Natural'.

EDITING A PRODUCT'S PRICING DETAILS

1

Click on the **pricing** button in the **stock** menu.

2

Enter your desired search criteria and click **search**. Ensure that you can see the relevant product in the product list.

3

Select the date that you want your changes to come into effect from the **effective from** drop-down lists in the search criteria section.

4

Enter the relevant cost price, if required.

5

Enter the relevant retail price.

6

Optional: Enter the recommended retail price into the **RRP** field.

7

If the product's cost price currently overrides its parent region's price and you no longer want it to differ, tick the **revert cost price** box.

Enterprise LIVE interface showing the 'Products - Pricing' section. The interface includes a navigation menu on the left, search criteria at the top, and a table of products with pricing details. Numbered callouts (1-7) highlight key elements:

- 1: Pricing button in the stock menu.
- 2: Search criteria and search button.
- 3: Effective From date selector.
- 4: Cost Price input field.
- 5: Retail Price input field.
- 6: RRP input field.
- 7: Revert Cost Price checkbox.
